2016 JUNIOR CHAMPIONSHIPS AND GELDING SHOW

July 2nd

LAIDLEY Show Grounds

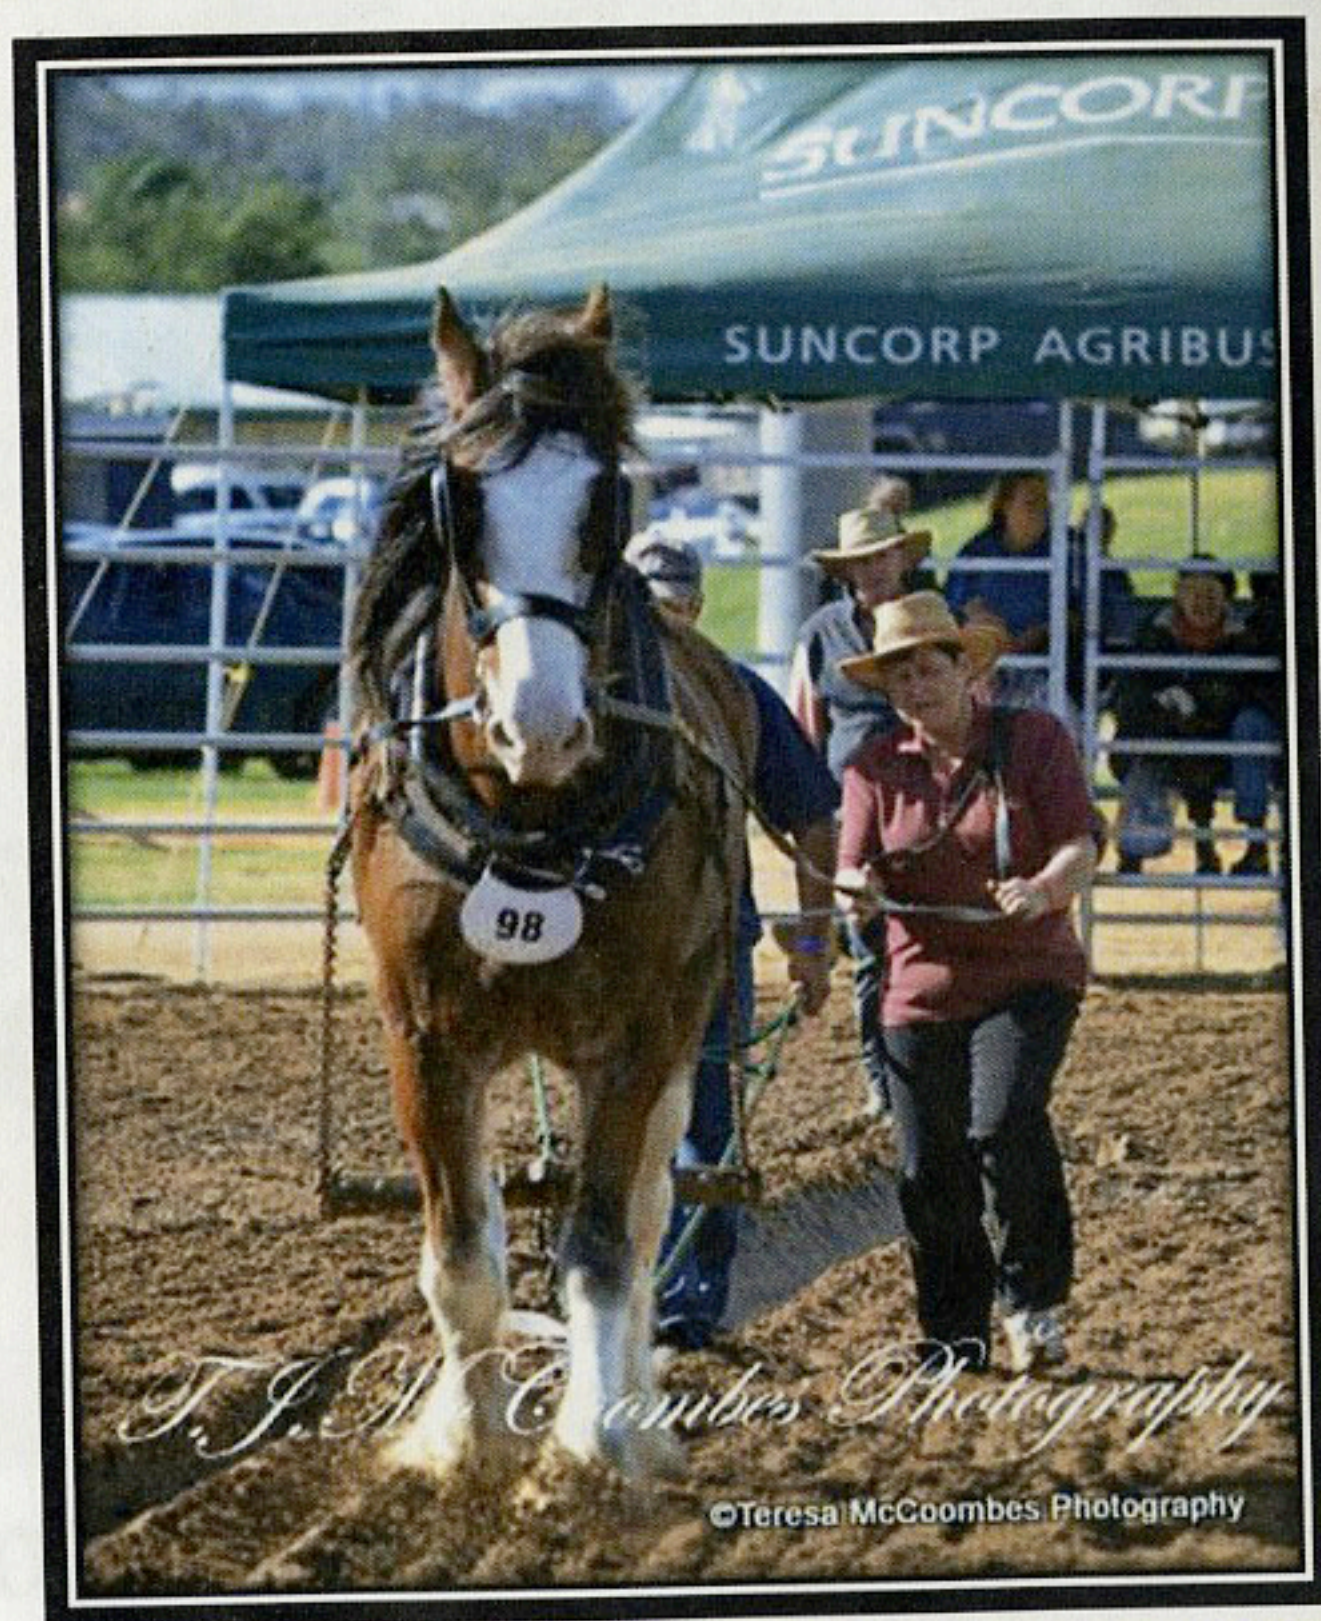

OFFICIAL PROGRAM - \$2.50

Welcomes all our Exhibitors at the 2016 Gelding Show, we hope that this side of our breed gets bigger and bigger.

Geldings play a very important role in the Clydesdale Breed.

At one time there were no classes for Geldings at the shows, but over the years the demand for geldings to be recognised more and more classes are being put on.

Some of our great show harness teams consist of only Geldings. Thus the reason for the GELDING SHOW is to recognise the importance of the gelding Breed.

The MAX FOWLER Award

In recognition of Max Fowler OAM of Coolegong Stud, near Young, NSW, the Federal Council instigated this prestigious award to be awarded to the Champion Gelding of the competition beginning in 2003 in conjunction with the then Annual Clydesdale Sale at Wodonga which Max as the first NSW Branch President, officially opened in 1977.

In 2005, delegates decided to move it for competition in a different State, annually, in rotation.

The trophy was made from a piece of River Gum from Wagga Wagga, NSW, and features a shoe made by UK blacksmith and farrier David Gulley from Melton Mowbray, Leicestershire, UK.

Max and his brother John formed the partnership 'Fowler Bros' and were notable breeders.

The Scottish imported mare Craigie Golden Queen which Max bought for 500 pounds the day before judging at the Sydney Royal held her own at the show taking out Reserve Champion Mare behind Harmonessa(imp).

Max, along with Norm Sippell from Qld, was one of only two judges to have officiated at all three Eastern States' Royal Shows in just over a 12 month period while it was possible.

Max also judged at Tamworth Show twice, exactly 55 years apart, 1936 and 1991, and was invited to judge at Sydney in 1995, exactly 60 years after he exhibited Craigie Golden Queen there and was first elected to the NSW Branch committee. Max was fittingly awarded an OAM for services to the field of agriculture (horses) in June 1998.

The Max Fowler Award will be presented at this year's show.

CCHS Qld Branch Junior Championships & Gelding Show

One of the major – and for many a favourite – events on the show calendar is the Qld Branch Junior Championships & Gelding Show. In 2016, this event was held in conjunction with the Laidley Ag Show on 2 July. This certainly exposed the event to a greater number of spectators and removed some of the work of holding a ‘stand-alone’ show but it was met with mixed feelings by members and at the recent meeting it was decided not to do the same this year. Thank you to all those involved in the staging of last year’s Junior Championships - especially to all our sponsors - it was an enjoyable day.

There are many photos on our Facebook page but here are the results of the Championship classes
